

GREAT HORWOOD CRICKET CLUB

Dear Parent,

Inline with ECB guidelines we will, where possible, ensure junior players (all those under 18) who are playing for Great Horwood CC in a senior team, will not change or shower with the rest of the senior team.

There may be occasions when this is not possible and we ask for your written consent for your child to share facilities in this circumstance.

Please see below the clubs guidelines for changing rooms:

- 1. Adults must not change or shower at the same time using the same facility as children.**
- 2. Adults should try to change at separate times to children during matches i.e. when padding up.**
- 3. If adults and children need to share a changing facility, the Club must have consent from the parents that their child(ren) can share a changing room with adults in the club.**
- 4. If children play for Adult Teams, they and their parents must be informed of the Club's policy on changing arrangements.**
- 5. Mixed gender teams must have access to separate male and female changing rooms.**
- 6. Mobile phones must not be used in changing rooms.**

If you are happy to give your consent, please complete, sign and date the details below and return this letter to your child's team captain or me before your child plays for any adult team. If you have any concerns with the Club's policy please do not hesitate to contact me.

Yours sincerely
