

GREAT HORWOOD CRICKET CLUB

Photography and Video Camera Policy

- Photographs/images are not to be taken at matches or training without the prior permission of the parents/carers of the children. This permission can be given by proxy by the coach of each team only after parental consent for this has been granted. The coach must arrange this prior to attending matches.
- The children should be informed that a person will be taking photographs.
- The children should be informed that if they have concerns they can report these to the coach or team manager.
- Concerns regarding inappropriate or intrusive photography should be reported to the Club Welfare Officer and recorded in the same manner as any other child protection concern.

Anyone proposing to take photographs on behalf of or in the name of the Club should respect the following rules:

- Ask for parental permission to use their child's image and wherever possible show the image to the parents and child in advance. This ensures that they are aware of the way the image will be used to represent Cricket and the Club.
- Ask for the child's permission to use their image. This ensures that they are aware of the way the image is to be used to represent Cricket and the Club.
- If a photograph is used, avoid naming the child.
- Only use images of children in appropriate kit (training or competition), to reduce the risk of inappropriate use, and to provide positive images of the children.
- Encourage the reporting of inappropriate use of images of children. If you are concerned, report your concerns to the County or Club Welfare Officer.
